

FLETCHER MURALS RESTORATION PROJECT

Fundraising for the restoration of the Fletcher Memorial Murals must start now to save the murals for future generations. The murals continue to deteriorate. If we wait too much longer these valuable cultural paintings will be lost forever. The earliest restoration can begin is the summer of 2020 after the school remodeling is finished.

Help us make this happen. Use your social media to network and publicize the murals. Please consider making a donation to the US Grant High School Alumni Association, Fletcher Murals Restoration Fund this year.

Mail checks to:
